Useful Website Links
Summer Term 2026

Below are some useful websites for parents and children to look at and discuss together. *For more information about these please speak to your child's class teacher.*

https://www.bbc.co.uk/tiny-happy-people

Website to help you to develop your child's language skills. Simple activities and ideas to help early development.

https://www.bbc.co.uk/cbeebies/curations/have-fun-at-home

Some great games for children and ideas for adults including suggestions of things to make and play together at home. Also some great advice on all sorts of common home experiences like how to support your child with using their tablet appropriately or how to include more fun maths in their day.
