RECLAIMING NARRATIVES

Dear Parents and Carers

While Black History is celebrated year round, Black History Month is marked annually during October. It recognises and values the inspirational individuals and events that have shaped generations. During Black History Month, we remember and celebrate the important people from the past and also those who contribute to and help our society today.

This year, the theme of Black History Month in the UK is **reclaiming narratives**. The theme of reclaiming narratives focuses on sharing stories of Black History and culture. We look forward to be learning more about this over the next few weeks

In 2 weeks' time, **Mrs Brown**, our **Office Manager** and **Headteacher PA**, will be leaving our school after securing a promotion at another school. Mrs Brown has been at Carlton Colville Primary for the past 12 years and has significantly contributed to the running of our school. We wish her the very best for her future.

Thank you for your continual support.

Mr B Axon
Headteacher
