Dear Parents and Carers

Welcome back everyone! As we approach the final stretch of the school year, we're excited to share that this half-term's school value is 'Enthusiasm'! Each week, our staff and children will take time to reflect on the importance of embracing learning with energy and passion. We will also be celebrating the wonderful students who demonstrate this value in our Friday celebration assemblies. Whilst I have only been part of the Carlton Colville team for a few weeks, it seems a very apt value to bring the year to an end. Everywhere I go in our school, I talk to enthusiastic learners who are really excited to tackle new challenges and do the very best they can.

As always, there's plenty happening in the coming weeks, and we hope you can join us for some of our exciting school events. Highlights include Sports Days, Rocksteady performances, the Year 6 end-of-year production, our annual Summer Fun Hour and of course the Year 6 leavers ceremony! Alongside an already busy calendar, it promises to be a wonderful way to share OUR enthusiasm and celebrate the strong outcomes across the school.

To ensure you don't miss out, please check the calendar within this newsletter for specific details and key dates. We look forward to celebrating this busy and joyful time with you!

Oz Sparks

Dates for your Diary

JUNE

9th – Parent Consultation Meeting 4.30pm
10th – Y4 Bees trip to River Waveney, Bungay
10th – Whole class photos
11th – Whole class photos (Bees & Owls classes)

18th – Last day of Term

Please remember to advise us if you change your address or telephone number by emailing update@carltoncolvilleprimary.co.uk
If you are unsure if you have advised us, please ring the School Office. Thank you.

Reception

The Reception children had a great day out at Africa Alive linked to their learning about Africa this half term. They all had a lovely time seeing the animals and enjoyed time at the play area too!

Year 1

In music year 1 focussed on pitch and dynamics. They used the glockenspiels to create high and low pitched sounds.

World Environment Day

Ladybirds have been busy doing activities linked with our environment! They made a wind mobile using a skewer, plastic bag and string. They then made a poster about putting our rubbish in the bin and keeping plastic away from our oceans. Finally they got to make their wind mobiles.

Flamingos discussed the theme plastic pollution and listened to the story 'Somebody Swallowed Stanley'. They talked about how we would reuse a plastic bag and we created our own mobiles.

a

Year 3 Foxes

Some of the fantastic mini greenhouses Foxes created in DT! The children worked so hard on the research, planning, designing and creating of their greenhouses. Joining the materials was challenging and they had super determination and perseverance.

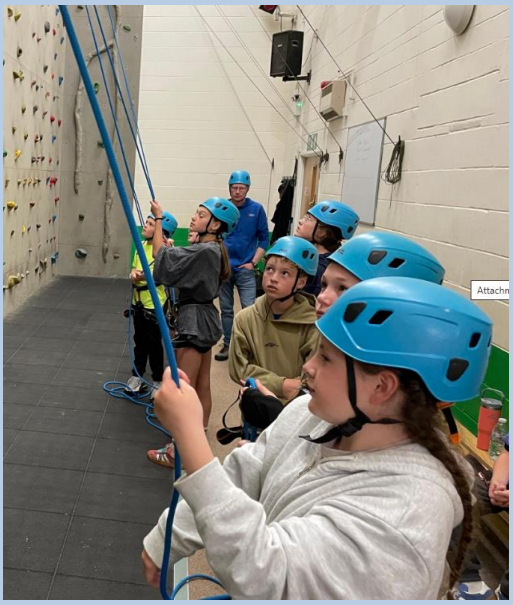
Year 5

David Gwynn is with us again today teaching us about the sun

Year 2 visited Year 5 to play with and learn about their cam toys. It was a great success!

Year 6

Our Year 6 children have had an amazing time at their residential at Eaton Vale.



Congratulations

Well done to both Harley and Tate.

Harley has been invited to attend the England Junior Performance Programme camp in Nottingham. This is a dream come true for Harley, and a massive milestone on her journey. Her relentless dedication, hard work and passion for badminton are being recognised and this opportunity is so well deserved.

Tate completed in the Powerboat GT15 national round in Liverpool, he drove fantastically and secured 2nd place for the event which also puts him in 2nd place in the overall championship.
