Dear Parents and Carers

Sports Days

This year's Sports Days at Carlton Colville were a fantastic celebration of energy, enthusiasm, and team spirit. Across the year groups, pupils gave it their all - cheered on by classmates, teachers, and of course their supporters lining the sidelines. From the team activities to sprint races, each event was packed with determination and smiles.

A huge well done to all our young athletes, and thank you to everyone for participating. Looking ahead, we are always keen to make improvements and would love to hear your thoughts on how to make our fantastic Sports Days even better. On that note, we will be sending round a quick survey shortly and, whilst this year's event is fresh in your mind, would love for you to share your comments and suggestions.

Next week sees us continuing to be full of enthusiasm of course and there is still plenty to look forward to! Our Year 6 pupils will be performing their end of year production on Wednesday and Thursday - a wonderful way to celebrate their time at the school. Other treats include Year 5 Bikeability and of course our annual Summer Fun Hour on Tuesday. Since joining the school it has been a real privilege to discover all of these Carlton Colville traditions and next week will no doubt prove to be no exception.

Oz Sparks

Dates for your Diary

JUNE

24th - Summer Fun Hour - 3.10pm
25th - Y6 Production
26th - Y6 Production
26th - 8th July - Y5 Bikeability

If you are unsure if you have advised us, please ring the School Office. Thank you.

Year 1 Flamingos

In Art they looked at the artist Edward Tingatinga. They discussed what they noticed about his artwork and had a go at drawing their own versions. They also practised their printing skills.

Year 2

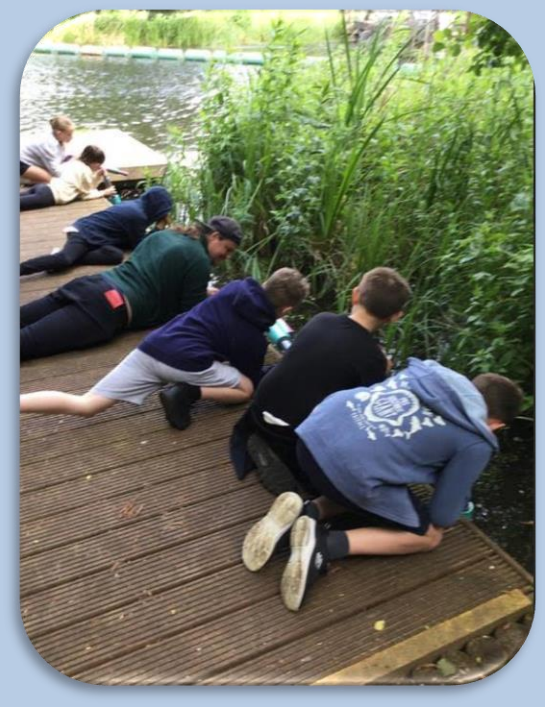
Over the past two weeks, Y2 had a go at Tie Dyeing a piece of material as a background for their leaf printing designs.

Year 4

Year 4

Year 4 had a great day at the River Waveney in Bungay this month. Dan, an employee of the River Waveney Trust, taught us a lot about the features of rivers. We were able to explore the banks of two rivers and compare them. We learnt about river pollution and how we can keep rivers healthy. We know that rivers are a major part of the water cycle. We enjoyed using equipment to look under the water, exploring different water samples and meeting a swan!

As always the children were a credit to the themselves and the school.



Year 6

Year 6 took part in a fantastic rounders tournament on Monday afternoon. There were 9 teams, including teams from three other schools. A special well done to our red team who won third place overall. 🏆

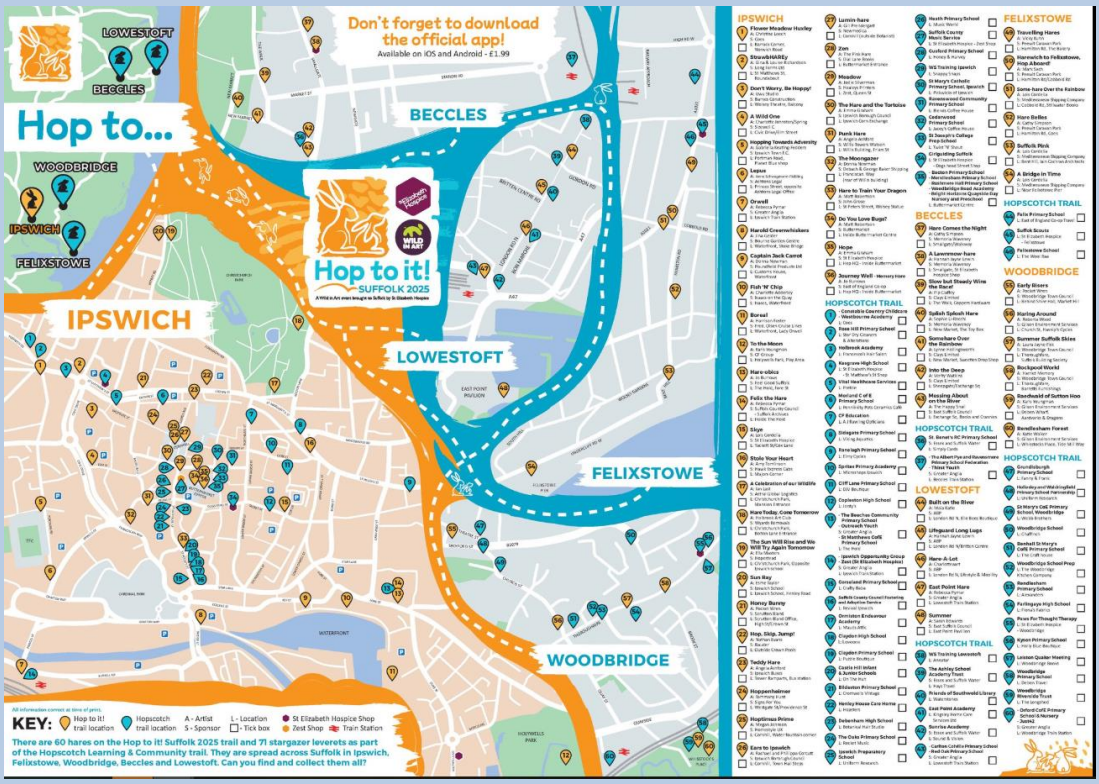
Year 6 had a water safety talk with the RNLI today. Always good to learn and refresh our knowledge, especially living near the water. 🛟

Gardening Club

Gardening club is in full swing, with lots of produce being harvested. Over the next few weeks we expect an abundance of produce! We are also tending to our recently planted orchard. The trees have needed lots of extra water in the recent hot weather!

'Hop to It'

You may remember back in March some of the children had the chance to help us decorate a Hare as part of the 'Hop to it' trail led by St Elizabeth's Hospice. We are really proud that our Hare is going to be displayed in Lowestoft railway station. Why not see if you can find it along with all of the others on display. An app is available for ios or android too and the trail runs over the school summer holidays.



For World Art Day 2025, the whole school took inspiration from the book "Mrs Noah's Pocket's" creating bunting that has made a fabulous display leading up to the KS2 classrooms.

We hope to see you at our…

Summer Fun Hour!

Tuesday 24th June

3.10 - 4.10

On our school playground

We will have…

Coffee Rush / Parravani's Ice Creams

- Splat the Rat
