Dear Parents and Carers

With just two weeks remaining until the end of the academic year, there's a real buzz around the school. Our core purpose—learning—continues to keep our children engaged and inspired, with some truly wonderful writing and projects coming together as we approach the end of term.

Last week, we had the pleasure of hosting the Year 6 production, which was based on the experiences of World War II evacuees. It was an absolute joy to watch the children thrive on stage. Although I've only been part of this incredible school community since Easter, I felt immensely proud seeing what the children have achieved and how much they've grown. Their ambition, pride, and commitment were clear for all to see—what a fantastic accomplishment!

A huge thank you to everyone who supported our Summer Fun Hour last week! It was a great success and a testament to the strength of our school community. The funds raised will go towards a project that directly benefits the children—we'll be sharing more details with you very soon.

Dates for your Diary

JULY

4th - Y1 Trip to Carlton Marshes
4th - Y6 Leavers Party
7th - Y4 Assembly for parents
10th - Rock Steady Concert for parents
11th - Reports go home
11th - Y6 Leavers Assembly
11th - Y2 Trip to Carlton Marshes
12th - Choir performance at Snape Maltings
17th - Whole school Transition Day
18th - Last day of Term

Looking slightly ahead, next week you will receive your child's school report, along with information about teaching staff and class arrangements for the next academic year. We've invested a great deal of time and energy into preparing for September, and I'm genuinely excited about the bright and promising future that lies ahead for Carlton Colville.

There will be several new members of staff joining our team next term. As part of this, I am delighted to announce that we have appointed a new Sports Leader to help enrich our school's offer moving forward. We are incredibly fortunate to have such outstanding facilities here at Carlton Colville, and one of our key aims is to make the very most of these opportunities for all our children—celebrating and showcasing this phenomenal resource.

I hope you all enjoy the next two weeks and I look forward to sharing more of our achievements before the end of the year. Thank you, as always, for your continued support.

If you are unsure if you have advised us, please ring the School Office. Thank you.

Year 1

In DT year 1 created their own fruit kebabs. They chose from a selection of different fruits and used a knife to carefully cut the fruit. The best part was when we got to eat our fruit kebabs.

Year 2

This week we have been learning about how to follow a recipe. We have made flapjacks using oats, butter & honey. We have enjoyed having this healthy treat for a snack this afternoon.

Year 2 have been very busy over the last few weeks, tie dying, printing and platting.

Year 3

Year 3 had a lovely time in the Wildlife Area recently. They thought about what snakes were native to the uk and might possibly find in our Wildlife Area (although, they are very shy and scared of children!) They played some snake based games and then made some wild art snakes, which were very creative.

Even when it was a little damp they still managed to have some fun looking at and building tiny things…

Tom Clark visited year 5 to teach them about his work with wind turbines. They learnt about renewable energy and how wind turbines work. They then designed their own wind turbine

Class Weekly Attendance Award-w/e 4th July 2025

1st Place: - Bears 99.3%
2nd Place: – Ladybirds 99%
3rd Place - Dolphins 97.8%

Whole School Attendance
w/e 4th July 2025 – 94.9%

Rewards and Achievements
