'Be the best you can be'

September 2024

Issue 126

Dear Parents and Carers

This year we are again participating in the 'Christmas Design Project' run by Cauliflower Cards. The project aims to encourage pupils' creativity and design skills whilst also raising funds for our school.

Your child has been creating their own Christmas design which can be professionally printed to produce personalised Christmas cards, gift labels, wrapping paper, notebooks and Mugs. Not only would it be very exciting for your child to see his/her work as a finished printed product, the cards themselves are great for sending a more personal greeting to friends and family at Christmas time.

The art work and order form will be coming home with your child on Friday 4th October 2024 in a card folder. Orders and payment must be made online using the unique code located at the top of the pupil order form, please refer to your order form for further instructions. All artwork where orders have been placed must be returned to school by Monday 14th October 2024 in the card folder. Cards & gifts will be delivered towards the beginning of December 2024.

Many thanks for your support.

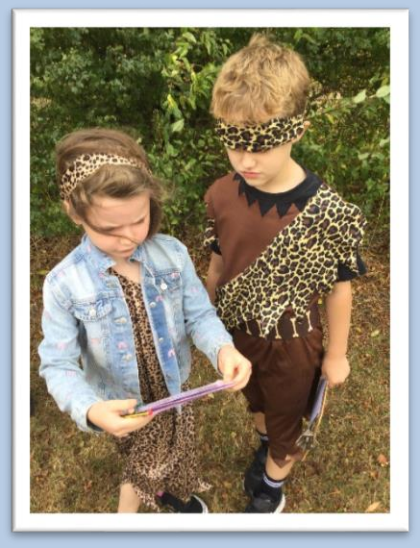
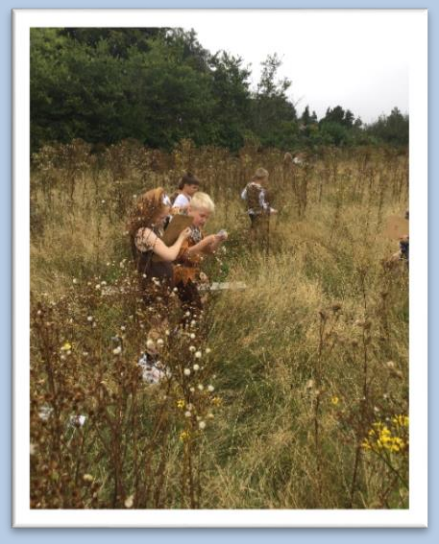
Year 3 Sparkling Start

Year 3 kicked off their learning on the lives of people in the Stone Age, by having a Stone Age dress up day and completing lots of different activities, to widen our knowledge on this era.





Year 5 Visit

Year 5 had a visit from Water Lane Leisure Centre to talk about Winter water safety.

We learnt about how to stay safe when near water and safety around ice in the Winter months.

Year 5 have got stuck into their Basketball unit in PE.

They have shown fantastic teamwork and great ball skills when dribbling and travelling.

The year 5 corridor is looking fantastic with the display of Summer reading challenges and El Gato Gomez inspired art work.

Song Writing Competition

On 26th September. 15 students from Carlton Colville Primary went to the first national song writing competition at The Radlett Centre to take part in 'The School Song' final.

Their song - "Dreaming" - made the top 10 out of 1000 entries.

Accompanied by Lottie Gray and her band, they did an amazing performance.

They didn't win this time but should be super proud of their achievements.

Safely to School

How to Use Your School Crossing Patrol

The role of your School Crossing Patrol is:

To stop traffic so that children and adults can cross safely.

Children and adults can help the Patrol if they:

- Always use the crossing point as this is the safest place to cross.
- Walk their bikes and scooters across the road so that they do not fall or slide into the road.
- Keep hold of skipping ropes and balls when crossing the road.
- Stand back from the kerb and wait until the patrol tells them it is safe to cross.
- Always walk not run across the road.
- Cross in front of the patrol, not behind, as it is safer.

Parent Suggestions

As part of our continual reflective practice, we are always striving to improve the quality of our learning provision that we offer to the children. Parent partnership plays a key role in this.

If you have any ideas of changes and improvements, please email us – All suggestions will be considered, and where possible, implemented across the school.

Thank you for your support with this.
